

Cole Cianflone

| Winnipeg, Manitoba | (C) 204-998-3787 | colecianflone123@gmail.com |

Professional Summary:

Socially ecstatic individual, who enjoys team efforts and collaborating in a group environment most. Currently seeking job experience to further my career within the Information technology/information security Industry.

Soft Skills:

- | | |
|-----------------------------------|-------------------------|
| ○ Excels in a group setting | Critical thinker |
| ○ Apologetic and patient | Friendly |
| ○ Persuasive communication skills | Consistent and reliable |
| ○ Understanding and considerate | Leader |
| ○ Charismatic and humorous | Problem solver |

Computer Related Skills:

- Capable of completing a wide array of tasks with computers, software, or hardware oriented. I have built and repaired several desktop computers, including the process of Microsoft-Windows installation.
- Understanding of Windows and Linux/bash file systems and commands.
- Set up Windows and Linux (Debian) virtual machines, ran a webserver through apache on the Debian VM to upload a database, to then query said database. In doing so I've learned basic SQL.
- Understanding of object-oriented programming in Java including encapsulation, polymorphism, and inheritance.
- Basic experience with C#, currently developing and improving my programming skills.
- Produce content on numerous programs such as: Adobe Photoshop, Visual studio, Unity for game development, and all the Microsoft office 365 applications.
- Experience building websites using HTML, CSS, and JavaScript.

EDUCATION:

Post-Secondary: **(Current) Red River College - Business Information Technology 2021-2023**

Codecademy: **Learn Java certification, Learn C# certification**

Highschool: **Kildonan East Collegiate – Vocational and academic dual-diploma**

Diploma in Information Technology

Majored in Interactive Digital Media

Employment:

Leger Research (Remote employment)

Employed from **January 2021 – Present**

Working at Leger requires persuasive communication skills, including being able to fluently carry out a conversation over the phone, fast effective rebuttals, ability to probe for specific information, and a positive tone. I consistently excel the expected flow rate of surveys completed per hour.

Salisbury House (1570 Regent Ave)

Employed from **January 2020 – January 2021**

At Salisbury House I worked as a chef. Working in a fast-paced kitchen requires lots of communication, time management, and teamwork. When I was not busy cooking, I would be preparing food and cleaning.

CO-OP Gas Bar (1600 Regent Ave)

Employed from **August 2019 – January 2020**

At CO-OP I worked as a pump attendant, being a pump attendant required lots of critical thinking, teamwork/communication, and people skills. I regularly dealt with money and have experience working POS including lottery and cigarettes.

I also have achieved my propane certificate to fill propane.

A&W in Kildonan Place mall

Employed from **May 2018 – August 2019**

At A&W I worked in the kitchen as a closer and sometimes opener, it required lots of communication and teamwork during busy periods. I had lots of responsibilities when closing, and the restaurant was always able to rely on me. I frequently took peoples shifts, started early, or stayed late.
